to have an equal opportunity to use and enjoy housing.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.**

3 (1) The general assembly finds and declares that:

4 (a) State and federal law currently permit an individual with a
5 disability to request a reasonable accommodation from a housing provider
6 to ensure equal access to housing throughout Colorado. A reasonable
7 accommodation encompasses a broad range of disability-related needs
8 and is intended to provide flexibility for both housing providers and
9 individuals with disabilities to achieve equitable outcomes.

10 (b) Under existing law, an individual seeking a reasonable
11 accommodation to keep an assistance animal is required to demonstrate
12 that they have a disability and that the assistance animal is necessary to
13 address a disability-related need;

14 (c) Recent changes in federal policy have created uncertainty and
15 increased the risk of litigation in this area. These changes include the
16 rescission of federal guidance that previously assisted housing providers
17 and individuals with disabilities in understanding their respective rights
18 and obligations regarding assistance animals. As a result, the absence of
19 clear guidance has led to confusion and inconsistent interpretation of
20 applicable laws.

21 (d) The purpose of this act is to restore the rescinded federal
22 guidance by codifying it in state law. By doing so, the general assembly
23 intends to provide clarity and predictability for both housing providers
24 and individuals with disabilities, promote consistent application of the
25 law, and reduce unnecessary litigation arising from ambiguity in a

1 commonly applied statute.
